## THE GOLDEN HARVEST

In this Bible Teaching I want to express JESUS Christ's desire for Revival.

JESUS Said, **"I am come to send fire on the earth, and how I wish it were already kindled."** Luke 12:49 nkjv. JESUS Christ knew that it would take the fire of the Holy Spirit to accomplish the Great Harvest at the end of the age. He was Not talking about natural fire!

John the Baptist spoke of JESUS, as the other Baptizer who would Baptize with The Holy Spirit and Fire. See Matt 3:11.

Before JESUS appeared before John, He was already described by John as The Lord Of The Harvest, prepared to gather His Golden Grain... lets read...

**"Whose fan (winnowing fork) is in His hand, and He will thoroughly purge His floor, and gather His wheat into the garner; but He will burn up the chaff with unquenchable fire."** Matt 3:12. The main tools for collecting the Harvest Grain, was a Threshing Floor (usually on a hill), a Threshing Sledge. Wind, and a Winnowing Fork to toss up and separate the chaff (which would blow away) from the Grain,

which fell to the threshing floor. Thus, the floor would be Purged of all but the Wheat. The Chaff would then be burned (with unquenchable fire) because it was useless to the Lord Of The Harvest.

JESUS sounds radical in Luke 12:49, but we have to remember that HE came as a Bridegroom to gather His Bride. Bridegroom is mentioned in the N.T. early in His coming. Read Mark 2:19-20, John 3:29, Luke 5:34 and then Matt 9:15.

JESUS came for a Bride that had been lured away by the same devil that tried to defeat Him in the wilderness, after His Baptism. The Bridegroom wants His Spiritual Bride back. But HE doesn't want Chaff!

Let's go back in time to Judges 15:1-5 Samson is denied his Wife during the wheat harvest because her father married her off to a Philistine man. Samson had already Married her months earlier. So, She was still his Wife!

Now, what would Samson do to repay the Philistines for taking away his Wife?

Samson caught 300 Foxes and tied them tail to tail in two's and attached firebrands which he lit, and sent the Foxes into the harvest of the Philistines. The wheat, the standing corn, the vineyards, the olive trees were burnt by fire. And the Philistines knew it was all because they had taken Sampson's Wife and married her off to another. I'm Not encouraging any natural fires.

Without the Holy Spirit Fire, we cannot destroy the works of the devil, or bring in the Last Days Harvest!

Before the Apostles were ready to be sent out into the world, they had to wait in the Upper Room for the Baptism of the Holy Spirit and Fire. Acts Chap 2.

Because GOD Makes His Ministers (Public Servants Of The Gospel) A Flame Of Fire. See Heb 1:7. Not natural man-made fire here. But Servants fired up with the Holy Spirit. With Compassion For Working The Harvest And Saving Souls.
