

# Christian Marriage

Therefore shall a man leave his father and mother, and shall cleave unto his wife: and they shall be one flesh.

## The True Journey of Mutual Love

LOVE is a journey from being just an irresistible individual to being "One with another human being" As long as you are Single, you can be completely individualistic, self centered, self preserving, self-loving, irresponsible.

This is so often the reason that so many will uncover their bodies selfishly, only to get what sex they want and go on living very selfishly as very individual with no intention of Marriage, or really becoming "One with another human

being". And this sounds so liberal and free to them, because of their self-centeredness. They See nothing wrong with this 'sex for self'. But you know Love is Serious, when you see the Engagement/Wedding rings.

Now it's more than just "I love what you can do for me". Now it's "I Love the Person You Are!"

During the Engagement, you are locked together by your mutual love, but not yet joined by Marriage.

This is a time to see if you are ready to leave the lifestyle of individualism to be Co-Joined in the unbreakable Covenant of Marriage. You can still 'break off' the Engagement and go your own individualistic way. But you know it is LOVE, so you both wisely came to the Altar of Marriage before GOD and family.

Now you are both on the right Path Love has for you. Now, instead of just hoping cupid will keep you feeling loving and in love; your very lives are joined together By Ring. Now look at the Center of the joined rings, and I will show you, the more you press in your life "ring" to your spouse's life "ring" the more you see the Marriage GROW.

## The Wisdom of Marriage

Go with me now, back to Genesis, to where GOD Created Man. This man, Adam, was a powerfully whole being. Everything GOD gave him to do, he did. Even to the very sovereign things like naming the animals. Genesis 2:19 And out of the ground the LORD GOD formed every beast of the field, and

every fowl of the air; and brought them unto Adam to see what he would call them: and whatsoever Adam called every living creature, that was the name thereof. And Adam gave names to all cattle, and to the fowl of the air, and to every beast of the field; but for Adam there was not

found an help meet for him. GOD loved joining all His creation, male and female! Adam began to see that Life came from this Male/Female Coupling, but he was all alone, and uncoupled with a female of his Kind. He would have no offspring if this individualism continued in him. Yet GOD, the Wise Creator waited till he was fully aware of his need to move away from being individual to sharing his life with Another.
