All Need A Living Savior for Soul Salvation

Although the world is full of 'Scholars' ever since "the tree of knowledge of good and evil": When Adam and Eve became as "gods" to themselves; "knowing good and evil". And although the world has many gods, beliefs, prophets, books & religions, there is still **Only ONE Soul SAVIOR**, and **ONE ALMIGHTY GOD**, and **Only ONE CREATOR**! Beginning with Eve and Adam, mankind have been deceived by their own 'curiosity' of what GOD did not tell them? Going beyond **GOD's Word**, they have sought more "knowledge of good and evil". This so called "knowledge" the Serpent offered from the Garden, has not been Spiritually Beneficial, neither to Adam and Eve,

who turned on **GOD**, or to mankind today, who take man's word over **GOD's Word**. They 'nick-pick' through the Bible, looking for excuses for their Faithlessness, hoping to find some reason for throwing **the Word Of GOD** away, along with it's **Soul Savior**. They are like naïve parents, who have been given a beautiful and perfect baby, but while observing "**The Gift of GOD**", find the water clouded, and decide to throw out the whole bathtub, **baby** included. **Indeed the Bible is mankind's 'Washing water' to purge an evil conscience, before The Holy GOD, and we are not defiled by this Purifying**

Bathwater, though it lathers much dirt from the Soul. Still, many look in the **Mirror of the Bible**, hoping **Not to See** themselves, but some **farnishing of the Silver and Gold of GOD's Word**.

I would encourage them to dive into this **Cleansing and Refreshing Pool** and they will see **the Christ Child, Who became the Savior, of all mankind, Exercising Faith**.

I recently read a book given to me. The Author, a proud man, extolling his intelligence, having invested so much of his life straining at presumed errors or what I would call 'jots' in the Bible. But in the end he seems to swallow his own 'Camel'. Nothing he made a 'big deal' over, casts any shadow on **THE SAVIOR OF THE WORLD. THE ONLY ONE that even World History Stopped and Re-Started all over again for A.D.**

Even the intellectually Curious need A Soul SAVIOR

The intellectually / spiritually **curious** are often like a man or woman who climb a tree, after their curious and determined Cat. In their pride and zeal they climb high, but in the end, they still **need to call on a Savior to Rescue their Own Very Precious Life Soul**. **Almighty GOD Himself Watches over His**

Word, to perform it. Some who walk in assumed intelligence, would say that the Bible is full of translation errors? that early Christians were illiterate? But, they set aside **The Power of the Teacher, The HOLY SPIRIT Himself**. Some claim to have had 'an experience' with the **GOD** of the Bible, but they never followed long enough to develop a **Relationship with the Sav-**

ior, but quickly, and foolishly, turned away from the Truth, that momentarily had touched their lives.

Only Christ Himself, through the operation of His Holy Spirit, Can truly Convert a Soul, giving True Birth to our spirit. Only the Living Christ can Re-generate Life in us. Thereafter, only those who Remain "led by the Spirit, are the sons of GOD". The Mind that we use such a small bit of, will never figure **GOD** out, on it's own. **Yield your mind to The Holy Spirit, The 'Spiritual Author' of the Bible.**
