## Men who knew GOD in Spirit and Faith

At The End of This Age, mankind seeks to return to "Gnosis", or secret hidden knowledge concerning 'the dark sayings of hidden truth' about God, Creation, the Fall, the Flood, the Prophets, and the Christ. Yes, They discover for themselves 'hidden historic records' they trust 'as original'. They dig up 'Gnostic gospels' in modern Egypt they would like to believe are 'special discoveries'. They 'believe' the Dead Sea Scrolls are 'older' than **Moses and his Record of Creation, the Tower of Babel, Abraham & the Patriarchs and all the Ancient Fathers of The Faith.**

They 'do not bother' to search back into True Ancient History of Early Men and Women who Actually Understood Spiritually THE GREAT SPIRIT, GOD THE CREATOR, SUSTAINER AND SAVIOR of mankind! Instead they search pagan history, who, without any first hand KNOWLEDGE, but **ONLY HEARSAY** about THE TRUE HISTORY of early mankind, and God's interactions with Adam's race. Instead, in this

final age, before the Returning of GOD'S SON., **THE DARK SIDE HAS INFLUENCED 'false prophets' To REWRITE HISTORY, Omitting THE TRUTH About Creator GOD And HIS HISTORIC PLAN.** Because it's **Lucifer the rebellious/fallen archangel of false light's fervent desire, knowing his time is now very short to remain influential over earthlings, drives to overwrite the Original 4 Gospels and indeed the Bible itself.** Yet, **he** must remain a supporter of 'all mankind's religions' in order to bring into power, **antichrist** who will draw worship to his Dark master. The only "Religion" **Lucifer** hates more than all others is **CHRISTIANITY, and Judaism, it's Mother!**. If Creator God had not done His best to reveal to the Faithful Patriarchs His Involvements with Creating and Saving the human race, and had they not accurately passed that **TRUE KNOWLEDGE** down through many Thousands of Years, the whole world would already be in it's worst 'Spiritually Ignorant' Dark

Ages. But we have **HighWayMen** who lived upwards near 1000 years on this Earth, and they passed on **The True Eyewitness Knowledge of The Things THEY Saw** of GOD'S Dealings with The young Race down for 15 to 20 generations of their very lifetime. And our Professors view something 1500 to 2500 years old, and they swear it's Ancient knowledge. Rather, let them discover **True Eye Witness Facts** from 4000 to 5000 years of Marvelously written **HIS**tory! They will discover the **HIS**tory of the Creation of the Heavens and the Earth! The Creator is Eternally above all gods.

**GOD INSPIRED HOLY SPIRITUAL MEN WITH FAITH TO WRITE HIS SIDE OF MAN'S STORY. HE CALLED MEN LIKE ABRAM OUT OF UR 'CITY LIGHT OF HUMAN BRIGHTNESS INSPIRED BY LUCIFER HIMSELF' TO TEACH HIM ABOUT THE HOLINESS OF CREATOR GOD AND HIS PLAN FOR A PEOPLE HE WOULD FORM TO WALK WITH HIM AND PASS DOWN HISTORY ACCURATELY AND RESPONSIBLY. WITH THE HOLY CREATOR, A TRUE SPIRIT OF FAITH STANDS ABOVE HUMAN REASONING OF THE NATURAL MIND!**
