A LADY'S SELF ESTEEM

My Little Lady, Carrie. It's already September, and the Autumn has been in the 'Progress of becoming,' here in Washington State, for a couple of weeks now. The Red Maples have **Beautiful Red Autumn Leaves**. And the Western Hemlock makes me think of Christmas with it's deep green branches. The Washington Apples are Delicious, but sometimes tart. The Willows are beautiful and sometimes you'll see a goldfinch.

This Picture of A Bride Waiting somehow reminded me of You.

As a Young Lady growing up in this present world, That Tries it's best, To set it's own Standards of what it takes for a girl to be a beautiful., I want to help You to Understand that **True Beauty Is A Virtue of the Pure And Reverent Heart.**

Often that **Purity** is stolen from a girl, by perverse men, who use, abuse, and toss away.

They say they 'love you', when they are in love with their own selves and unlawful pleasures.

The Beauty of You, is not something you wear, nor is it something another can take away from You!

O' but this Age of Stealing Pu-

riety, leaving a young lady used, can also lend it's passions to violent abuse.

I warn You of this, because I have noticed that so many girls, even before they have grown up enough, to **Know Their Own Value**, become the victims of base fellows.

These types will, after they have gotten what they want from a girl physically, **Treat Even A Special Young Lady** like a common whore. Still These girls Think that their "lover" or live in boyfriend just loves them so innocently and Solely as their only true love.

This type of Treatment, I don't want for **my Beloved Carrie.** In my heart I always hope Your Loving and Caring for Yourself, and Valuing Your Priceless Worth, even in a World without much value for **A Lady Of Virtue.** But Because You **Respect Your Own Worth Enough to Contain Yourself, Physically, Emotionally and Spiritually.,** A Man of Worth and Means **Will Find You, A Virtuous Lady!** And He Will Treat

You Like The Queen Of The House. You Will be the Beautiful Atmosphere of His Happy Home! And A Good Marriage, and a Peaceful Home is A Bit Of Heaven on Earth.....

Again, As I Often think of You, Today I want to share some bits of **Fatherly Wisdom With You.**

The World we live in is full of Fears, but has little Reverence for Our Holy Creator GOD!

Yet We have the Choice of being Reverent To Our Holy Creator. The Beauty of This, is that Our GOD has not, and will not, give us a spirit of Fear, but of **Love, Power, and a Sound Mind.**

Fear came into this Creation because of GOD'S enemy the devil/Serpent, when he Tempted and subtly pulled Adam and Eve away from their **Holy Reverence for Their Loving Creator.** and into disobedience. **Without that Holy Reverence,** now they would live in Fear of many things, that could happen.

My Dear One, do not sell yourself short of what The Holy Creator Has For You.

He Loves to see You fully fulfilled. **Reverence is Your Opportunity, Patience is the Key, The Holy Creator Is The Match-Maker.**

What GOD Has Joined, Is A Perfect Marriage!
