Storms will come, yet The Anchor HOLDS

At times life is like a placid Sea. Everything going in smooth & ordinary fashion. Thank God for those quiet times. Heb 6:10, says, for God is not unrighteous to forget your work, and the labor of the love, that ye showed to His name, having ministered to the saints and (still) ministering; But we long for each of you to continue to manifest the same Earnestness, with a view to your enjoying **FULLNESS OF HOPE TO THE VERY END; SO THAT YOU MAY NOT BECOME HALF-HEARTED, but be imitators of those who through Faith and Patient Endurance are now heirs to the Promises.** Heb 6:17 In the same way, since it was God's desire to dis-

play more convincingly to the heirs of the promise how unchangeable His purpose was, He added an Oath, in order that, through two Unchangeable things, in which it is Impossible for Him to prove false, we may possess mighty encouragement--we who, for safety, have hastened to lay hold of **THE HOPE** set before us. **THAT HOPE WE HAVE AS AN ANCHOR OF THE SOUL--an anchor that can neither break nor drag. It passes in behind the Veil, where Jesus has entered as a forerunner on our behalf,** having become, like Melchizedek, (the Priest/King) **A HIGH PRIEST FOR EVER.** BUT WE DARE NOT ANCHOR OURSELVES to influential people, or trust in Riches to save us. These are some of the uncertainties in this life.

The Storms in life that Locate us

We who live in the Tropics know that eventually, hurricanes will come. We try to prepare in advance in what ways we can. And usually the water is more dangerous than the wind. I'm reminded of what Jesus said about how to build our lives. Not on the sand where the wind and rain could ruin us... But it's so easy to build on sand and so

many take the easy way. And things look beautiful and perfect until the storm has passed by. Storms have a way of locating people who are building their lives. If people are building on The ROCK. Building their lives on a firm Spiritual Foundation; although the wind blows and the storm waters rise, they are still above water and shining with hope.
