BRING IN THE BIG COMBINES!

“THE FIELDS ARE WHITE ALREADY TO HARVEST” John 4:35.

The Greatest Time Of Joy For The Farmer Is The Summer Harvest Of Wheat. But it is also a Time for Diligent & Speedy Harvesting.

Growing up as a farm boy in Illinois the Combine we used was only 10' of Sickle (wide) but we Only Farmed 80 Acres of Land, 50 Years Ago.

And we managed to get The Harvest in before the rains came. Sometimes we would have to hire Harvesters to help us if we knew that there was rain coming soon, and we might lose the Grain back to the ground.

But the Small Farms are mostly gone now, and the days of Mega Farming of Thousands of Acres of Ripe Grain has come.

I chose this Photo to the Left because in the 'Mega Harvest' you need to do 'Mega Harvesting' with 'Mega Combines' Staggered 5 Or More In A Row Across The Vast Wheat Fields.

And The Modern day Combines like the one here below boasts a Sickle Head of 40' across. Now set 5 of them in a staggered row and you are Harvesting an expanse 200 Feet wide of the Golden Grain in one swipe, or 400 Feet in a round trip. Now You Are Harvesting Tons Of Golden Wheat!

These 2 Photos help remind me of The Greatest Harvest, At The End of this Closing Age.

On the Farm the Wheat will not Wait on the Harvesters for long. They may only have a couple of Weeks to get the Precious Grain in the Barns.

He that gathers in the Summer is a Wise Son (or Daughter): But he that Sleeps in Harvest Time causes shame and disappointment. (Proverbs 10:5).

Neither say they in their Heart, let us Now fear The LORD our God, that giveth Rain, both the Former and the Latter, in his Season; He Reserves Unto Us THE APPOINTED WEEKS OF THE HARVEST. —Jeremiah 5:24.

This Time Of 'The Greatest End Time Harvest Of Souls' Is A Time To Show Fearful Reverence To The LORD Of The Harvest. HE has sent the Rain in the Autumn for preparing the Soil and again in the Spring so that the Grain could grow to Maturity and finally to a Golden Ripeness.

But **HE** has also Reserved To Us The Harvest. We are the Harvesters! And we have a Short Time to do the Harvesting before the awful down-poor- of- darkness comes “when no man can Work” (go to John 4:34-38).

The few “weeks” that we have left to Harvest is All we have before “The Harvest Is Past, The Summer Is Ended, and we (or they) Are Not Saved.” (see Jer. 8:20).

“Say Not ye, there are Yet Four Months, and then cometh Harvest? Behold, I Say unto you, lift up your eyes, and Look Upon The Fields; For They ARE WHITE ALREADY TO HARVEST.”

And he that Reaps Receives Wages, And Gathers Fruit Unto LIFE ETERNAL: That both he who Sows and he that Reaps May Rejoice Together.

The Farmer Doesn't Only Sow and Cultivate; He Also Reaps! This is The Prime Opportunity and Time is Short. Therefore it's Time to Train and get the Saints out of the House of God and Give Them A 'Combine. —(Godmobile USA).

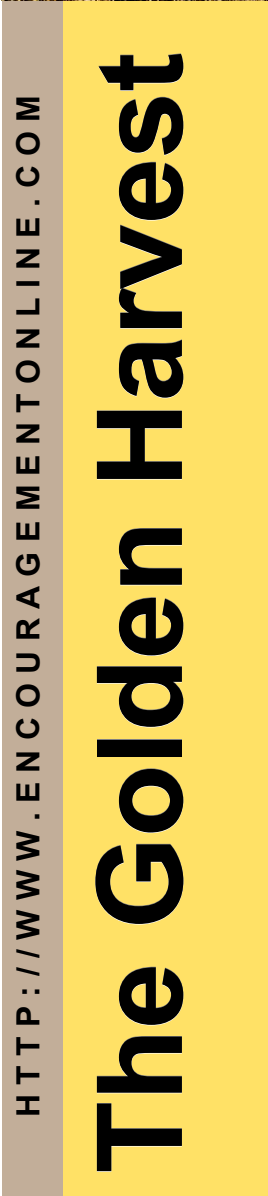

While our eyes are on the Pastor, The LORD of The Harvest tells Us, HIS Saints, to Lift Up Our Eyes Upon The Harvest Field.

The Church Age 'Harvest' Is going Out Doors, And, Finally, Now, The Gospel Goes Out To The (Dirt) Poor!

This Is The Greatest 'Sign' Of Christ's Coming! Not what the Lost World is doing.

“...and the poor have the Gospel Preached to them” —JESUS. —Matt 11:5. KJV.
