JULY 2008

The Christian Family: Under The GRACE Of GOD

THE CHRISTIAN HUSBAND Loves his Wife unconditionally, as **Christ Loves His Church!** He honors and Cherishes Her. He Nourishes Her Up in Body Physically, in Soul Emotionally and in Spirit Spiritually!

He Delights in Her as **His Only Human Lover**, and Respects Her Strong as well as any weaker points of Her Feminine Nature.

In **Jesus Christ**, He realizes that both Husband and wife Are Standing On Equal Grace Before **The Holy GOD**.

And He Provides Leadership For His Wife, so She does not have to 'take the lead' in the home or against the world's pressures. Yet, He does it without 'domination' over her and Her Conscious. Both Husband and Wife treat each other with Reverence as **Heirs Together Of The Grace of their Christian Life**.

As **Christ Carried the Cross He was Crucified on**, So the Christian Husband Carries the Weightier Challenges of the Marriage and Family.

A **Christian** Husband Corrects his Children **out of Love**, Calling Their Attention to what is Important., without coming down to heavy handed on them, and he does not Enrage them or Break Their **Spirit** in the process of training them.

The **Christian** Husband Speaks Wholesome, Healthy, Healing and Esteeming Words that Unveils the Inner Beauty of His Wife, so that She Shines Brightly.

His Mindset is not Give Me, give me, but what's mine is now Yours, and I am Yours.

They are no longer two Independent Individuals, but ONE Complete Unit.

THE CHRISTIAN WIFE Cultivates That Irresistible Inner Beauty that Her Husband can not help but Recognize. She does her best to understand and support her Husband, rather than tearing him down.

She knows that Outward Appearance, hairstyles, jewelry, makeup's, Revealing clothes do not add the kind of Value, to the Wife, as the Non **Christian** world believes it does.

She knows that to 'Cheapen' Her Appearance before the world, is to be taken cheaply by the world. (Far to many young ladies do that, and end up pregnant without a husband to Nourish and Cherish them at all. They are simply sexually Used by men and responsible to raise up their Own children without a Father there at home For them.)

The **Christian** Woman Makes the Wisest Choices In Life!

She will not settle for just 'a sexual partner', She Chooses Only to Be A **Wife of A Christian Husband**.

And **They** will Have Their Children Within the Marriage, where they can Both Nourish and Cherish Their Little Ones.

(They know of few things so Sad, as Little Children growing up, not Completely Nurtured and Cared For By Two Responsible Parents).

The **Christian** Wife and Mother sets an Example for Her Children by Her Gentle Kindness., and **Even Her GOD Delights in Her** because She will bring her Children Up to be **Godly Sons and Godly Daughters!**

THE CHRISTIAN CHILDREN Grow Up in the Pleasant Atmosphere of the Mutual Love of their Parents for each other, as well as for them.

Christian Children are taught and helped to grow up before facing the challenges in the world. They are reared up to Maturity. Therefore they are not As Frustrated as other kids who have not been so fortunate as to have had this Close Parental Care.

They know the first commandment for them is to Love and Honor their Father and Mother, for this is backed with a very Special Promise **From Creator GOD**. The Very Promise of A Long Life and Prosperity!

Christian Children Grow Up and

Become Over-Comers in a world bent on overcoming **The Christ and His Faithful Christians!**
