Learning from the birds GOD Created

First, let's go back to the story of Creation, on the 5th Day, when GOD Created the Birds:

Genesis 1:20 And God said, Let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth in the open firmament of heaven.

Ge 1:21 And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and God saw that it was good.

Ge 1:22 And God blessed them, saying, Be fruitful, and multiply, and fill the waters in the seas, and let fowl multiply in the earth.

Ge 1:23 And the evening and the morning were the fifth day.

Now imagine with me, that God gave You the first **baby duck** He Created. The World is so BIG, and Your **Feathered Friend** seems so small and fragile. You Protect this little Creature, you feed it out of Your hand, You keep it out of the Rain and the Hot Sun, You even Protect it from Your Dog and Cat. While Your doing such a great Job, Your Little duck is growing up. She now can walk around the Yard, and even Run for Safety. In time her little Wings become Larger and Stronger. You Proudly watch her Exercising her Wings, even running with her wings spread out, and one day to your amazement she lifts off the ground in Flight. Here we

learn something very important about Life. We may be little today, but we are daily growing up. Things may sometimes seem difficult for us to do, but we are getting Stronger. We started out so Fragile, we were all 'cuddled in Mom and Dad's Loving Arms'. We started rolling over, then sitting up, then Crawling, than Standing up. We took the first step forward, then learned we could walk, then we got more Brave and started Running, Climbing, reaching up for things. Life getting easier as we grow up!

We learn that we Must respect the Gravity of the Earth, Which pulls us down, but **in our Heart we can soar**, our spirit Filled with **JOY**, WE CAN **SING TO GOD OUR WONDERFUL CREATOR, WHO MAKES US CREATIVE!**
