THE MOST IMPORTANT THING IN MARRIAGE IS RECONCILIATION

NOT REJECTION, BUT LOVING RECONCILIATION

Because Marriage is a Covenant between a Man and a Woman and GOD, Covenant Breaking is an Offence in the Face of The Holy GOD.

For Imagining a Christian Couple getting a divorce, you would have to imagine Christ divorcing His Bride, His Church in the Earth. And looking for Another to replace her.

That will never happen, because Christ Loves His Bride enough to Correct her, and to Reconcile her back to Himself.

All Christian Marriages are Reconcilable, or at least should be, if Christ is Our Center of Focus:

What does it mean to Reconcile?

Reconcile: To Make Friendly Again or Win Over To A Friendly Attitude. To Settle A Quarrel or Dispute, or Compose a Difference. Bring Into Harmony. To Make Content.

How Can This Be Done In A Christian Marriage? Well To Make A Wife Feel Accepted And Beautiful, A Husband Must Love Her For Who She Is. That Is Why Christian Marriage Counseling Is So Important Before Your Marriage. To Talk Out The Things You Have In Common, And The Things You Differ On. If You Can

Come To Terms With Your Differences Before Your Marriage, You Will Not Be Trying To Change Each Other Within The Marriage Union, That Is So Vital To Maintain.

The Reconciliation With A Husband Is Best Done By Respecting Who He Is, And What He Does For You And Means To You. Because Once Respect is Gone, You Will Not Be Able To Hold Him. Not Even Your Love Is As Important To Him As Your Genuine Respect.

At This Point I May Sound Like I'm Taking Sides, But The Bible Says The Marriage Requires Mutual Submission. Not Just The Wife To The Husband, But Also The Husband To His Wife, For They Are One In Marriage.

A Wife Is A Special Inheritance From The LORD GOD To You. Let No Husband Ever Forget That, And Treat His Wife Insignificantly.

They Say That To Make A Husband Rich Is To Decrease His Needs. A Wife Is The Wealth Of Her Husband. He Has No Need Of Finding Fulfillment Apart From The Marriage Union. In This Union The Married Couple Complete Each Other Physically And Sexually.

Even If Their Be Some Tempta-

tion That Overtakes One Of The Spouses— (Usually Because They Are Not Together Enough, Or Are Defrauding One Another Because Of Some Issue They Have Allowed To Get Between Their Union) — Reconciliation Is Still Possible, When You Realize It Could Have Been You, Falling To This Kind Of Overcoming Temptation. Reconciliation Is A Commitment To Come To Grips With, And Change What Is Upsetting And Destroying Your Marriage.

You Must Work Hard To Not Let Personal Sin Alienate You In Your Marriage. Estrangement Will Only Encourage Your Spouse To Seek Comfort From Another. Never Let That Happen, Reconcile While There Is Time.

Walk Toward Relationship, Not Away From Your Christian Marriage. Time To Make Changes In Character Is Necessary, Don't Write Each Other Off.

Press Into Your Mutual Love, And Let Nothing Prevent Your Reconciliation In Marriage.
