THE HEART REVEALED..... THAT SHOULD HAVE HIDDEN

<http://www.encouragementonline.com>

DECEMBER 17, 2010

FOR THE SINGLE WHO WOULD BE EMOTIONALLY VULNERABLE.....

There Is A Rare Breed Of Singles. Those Who Are Not Afraid Of Being Emotionally Vulnerable To Friends!

It Seems All the rest are Determined To Save Their Own Feelings For Someone Profitable To Them.

But at least their Feelings Stay Safely Hidden Away From Those Who Reach Out To Them, even people they honestly Could Care About.

Even those who have reached down into the deep places of Their Heart to deliver Care on a Golden Platter to someone they should never have let their heart even go out to, in the first place.

It Seems The Law Of This Realm Of Single-Dom is “**Show No One That You Have Any Feeling, At All, For Them!**”

Seattle Is A City Of The Upwardly Mobile And Fiercely Independent Singles.

To Show Anyone Of The Opposite Sex That You Are **Vulnerable**, Is Often Relational Suicide, And Personal Emotional Self-Destruction.

Even If You Once Had A **Platonic Friendship**, Now, You Have Absolutely Nothing To Show For The Investment Of Your Time, Care And Outreach To Them.

You become like one of the walking dead if you should find yourself anywhere in their way and space. You could stare them in the eyes, and they would not even notice, because You're invisible to them, Now.

As the Song goes, “**don't you draw the Queen of Diamond's, Boy, She'll Beat You If She's Able. No The Queen Of Heart's Is Always Your Best Bet.**” But

it seems to me, some fine things have been laid upon your table, but you only want the One that you can't get ... “**Desperado**”

From Time To Time, As A Vulnerable Romantic, And Writer, I've Written Emails To Express Care for a Particular Christian Lady, and at the end, when it was all so evident that there was **No Acceptance**, email that I Wished I'd Never Sent, destroys me from the inside out.

The Heart Of Man Offers It's Pearls To Soon. The Emotionally Cold hearted, despise Your Offering, Turn on you, and Rend you through. And also Trample Your Worthless Offering, Before Your Very Eyes.

As Single Men, It Is Wisdom, Not To reveal Your Emotions, because single women fear going there, and will only run away from You, or turn against you, making you wish you remained unknown.

But at least I Have Come To Better Understand Jesus Christ, Who Revealed His Heart In His ‘Revelation’

Revelation 3:16— “I Know Your Works, That You Are Neither Cold Nor Hot”

Works: here is speaking of Efforts, Deeds, and Doings. Christ Associates These ‘Efforts’ With Our Basic Love For Him. Even Basic Love Takes Some Effort! Most Singles Today Are Not Willing To Even Try, Much Less Make An Effort To Reach Beyond Their Own Selfish World.

I Can Now Identify With HIM. People Can Call You Their Best Friend One Day, And Be Lukewarm Toward You The Very Next Day. Even Jesus Christ, The Heavenly Lover Of

Our Souls, Can't Tolerate Luke Warm, When It Comes To How We Show Our Love For HIM.

But Any Efforts of Showing Compassion Between Opposite Sex Singles Is Rarer In These Days, Than Random Kindness Itself.

Are We At The Close Of An Age? Many Single Women Are Frightened By Close Friendships With The Opposite Sex. But So Are Many Men Avoiding Them.

We Are Also To The Critical Point In Our Nation, Where It Is Crumbling Socially, As well as financially.

Over 50% of our America Is Comprised of Singles Who Are Fairly Content To Walk Apart From The Opposite Sex. YET, there is growing interest toward same sex relationships. We have become Romanized, all over Again.

Single Women can't tolerate Single Men And Single Men See Little Self-Less-Ness In Today's Single Women, That Would Draw Their Attention.

What The Devil Has Developed— Is The Perfect Stand-Off. This Is Just Common Sense On His Part. And he has divided the nation, by dividing out, the sexes.

Still, he has made sure that there is Plenty To Fill In The Gap Of Emptiness in between.

This Wicked Spirit, has made it fashionable for Women to love women, more than men. And for Men to love men, more than women.

Along with that, he has given mankind the internet world of everything to dazzle the eyes of both sexes.

NEXT : WE WILL LOOK AT SOME DIVINE ANSWERS GIVEN BY OUR CREATOR, TO MANKIND!
