

LEAVING THE PAST

THE PAST, THE PRESENT AND YOUR BRIGHT FUTURE.

March 10, 2011

DO WE ALLOW THE PAST TO OVERSHADOW OUR PRESENT AND OUR FUTURE ?

Today We Embark On A Topic That Is Of Great Concern To Our Creator And Our Savior. The Very Savior Of Our PAST, Our PRESENT And Our FUTURE.

We Have All Had Some Very Wonderful Things Come Into Our Lives In The Past.

We Have Endured Some Terrible Losses And Grief In Our Past As Well.

As I Consider These Things That Often Hold Us Back From Enjoying Our GOD Given Present, I Sense In My Spirit A Very Deep Concern In The Heart Of Our CREATOR And Our Dear SAVIOR.

Imagine With Me Now, That You Created A Human Being, You Observe Your Creature Constantly, And You See Both Their Successes And Their Defeats. Your Heart Feels These Things With Your Creature That You Made In Your Own Image And Likeness.

Your Creature That You Created, Has The Same Features As You In Their Capacity To Feel Excitement, Joy, Love, Peace, Hurt And Even Emotional Pain.

Your Heart Sinks As Your Dear Creature Struggles To Rise From A Defeat. You Are Right With Them, Now It's "The Present" And You Have So Much To Give To Her Or To Him.

You Want To Shout From Heaven An Encouraging Word, "Don't Stop In The Past, Walk Fully Into The Present With Me!" "The Past Is Not As Important As Our Present Journey!" "And From This Present, There Is Still A Brighter Future Ahead Of You, My Dear One!"

We Can Neither Let The Best Nor The Worst Of Our Past Life, Prevent Us From Fully Living And Fully Enjoying This Present Breath And Fellowship With Both Our Creator And With All The Other Precious Creatures Uniquely Fashioned In The Divine Wisdom Of Our Loving "Father GOD."

Now, How Do We Define Past, Present And Future? Let's go to the Dictionary to discover:

PAST: Gone by or elapsed in time. Having existed in, or having occurred in a period of time. Having taken place in a time before the Present.

PRESENT: As a noun, it means "A GIFT" (Given & Received). Something Presented To Us.

As a verb, it means "To Bring And Introduce Into The Presence Of Someone" "To Introduce Socially" "To Bring Before The Public" "To Offer To View" "To Give Or Bestow" "To Become Manifest" "To Come Forward" "To Make A Presentation Of" As an adjective it means "Now Existing Or In Progress" "Being In View, Or At Hand" "Existing In Something Mentioned Or Under Consideration" "Constituting The One Actually Involved, At Hand, Or Being Considered."

FUTURE: As an adjective it means "That Is To Be" "Time Yet To Come" "Existing And Occurring At A Later Time."

As a noun it means, "Time That Is To Come" "What Is Going To Happen" "An Expectation Of Development, Advanced Progress, Progressive Development."

EACH OF THESE ARE IMPORTANT.

But We Must Be Careful Not To Hold ON To One With The Exclusion Of The Others.

If We Still Live In Our Past, We Are Not Fully Involved In Our Present. Our Past Was To Help Prepare Us For Our Present, Not To Overshadow It.

I Used To Live In The Shadow Of The Past. Until One Day, I Heard Divine

Wisdom From Creator. And This Is Just A Few Things HE Said To Me, Through A Prophet.

"Speak To ME No Longer Of Those Things In The PAST For I Have No Knowledge Of Them. I Have Cast Them Into The Sea Of Forgetfulness. So When You Come And Commune With ME, Do Not Bring Those Things With You, For We Have Nothing To Converse About Unless You Speak Of Things Of TODAY.

FOR I AM TODAY, I Am Today, I AM Today, And So Are YOU TODAY NEW, You Are In MY Righteousness, You Are New In ME, AND MY LIFE.

"Therefore Do Not Be One To Bring Before ME The Things Of The PAST, But Let Us Talk About The Things Of TODAY, **FOR GREAT ARE THE THINGS IN STORE FOR YOU TODAY! Sufficient Are The Things IN STORE FOR YOU TODAY!**

"Forget The PAST And Let Us Talk OF TODAY!

"No Longer Say, 'I Am Unworthy' No Longer Confess That 'I Am Not Worthy Of The Blessing Of The LORD' No Longer Say, 'I Am Not Worthy', For You Indeed Are Worthy. You Indeed Are Worthy, FOR YOUR WORTH IS NOT BASED UPON YOUR DOING, BUT ON YOUR BEING. YOUR WORTH IS BASED ON YOUR BEING IN MY SON AND NOT IN THE DOING OF YOUR WORKS. YOU ARE WORTHY BECAUSE OF ME. YOU ARE WORTHY BECAUSE OF ALL THAT I HAVE SPOKEN AND HAVE DECREED, THEREFORE YOU ARE WORTHY. ARGUE WITH ME NO LONGER ABOUT THIS THING, FOR I SAY TO YOU, 'YOU ARE WORTHY'. —Given 01/21/94.

We Shall Talk More About "The Present" In Coming Presentations.
