## FROM THE FOUNDATION OF A NATION TO IT'S WEAKENING

So many things in life start off so good and so solid.

A mass of Citizens get A Great Idea, Travel across Thousands of Miles of Ocean, and begin A New Nation.

They are so careful in setting up their Constitution so that it protects basic Human Freedoms of it's Citizens.

Then they let the World move in to, and Change the Foundation of their Very Country.

Before long, foreigners are fighting for their rights. They want to turn that Country in it's direction, to serve it's People, culture, laws and religions.

That cannot be done without Undermining the Nation's Own Laws, Constitution, Religion, Culture and Responsibilities to it's Own Citizens.

So what ends up happening is that The Foundation of A Nation's Government begins to be tampered with. A little chipping away here and a little chipping away Of The Rights Of It's Own Citizens, to Accommodate the cultures and religions of invading foreigners.

So the Nation slowly becomes Confused. A 'little Babylon.' Now the Rights of Natural born Citizens take second place to the desire of their government to accommodate those coming into the Country.

While there are reasons to help foreigners who want to live here, we should not change the very Constitution that grants that freedom, first to it's Citizens, then to those Coming Into Our Freedom.

Otherwise, now they are free in our Nation and we are second class Citizens with less freedom and rights.

Now they are cared for, while Our Nation's Poor Citizens become the poorer; not able, in many cases, to get basic subsistence.

Top this off with the Corporate CEO's PILING UP The Company's OPERATING FUNDS At The Top in Stock Piles they can't even spend themselves.

They Steal huge bonuses, and then Sit On Wages that should have been Spent for Hiring Properly Paid Employees, instead of Laying Them Off, Devastating the Nations Working Class.

Then the Corporate CEO's further 'Stab the back' of what's left of the Struggling American Employees; by sending their Jobs overseas, where CEO's can Hire Cheap and sometimes Child Labor, so they can continue to 'Line Their Pockets' at the Cost of their Own Nation and it's Working Citizens.

Now the 'Giants Rise' they have stockpiles of money to buy Smaller Corporations 'Out' till they Themselves Are 'IT'. Then our Nation's Government 'Bails them out,' because their CEO's became Way To Greedy, Invested Way To Deeply.

Now the Nation depends on the Support of it's Corporate Giants, who 'Pay The Way In' For The Running Politicians.

They Buy Politicians and remind them to 'help them' when they are Surprisingly In Office. And the Voters can't figure out how these were 'elected.'

Now 'special interest groups' are Controlling the Political Process. The Voting of the Common Citizen makes less difference, if any.

The Political Process becomes a Separate Entity from "We The People." So what the Taxpaying Citizens want for their Nation is rarely considered.

What happens when a Government is Turned Against it's Own Citizens?

Duet 32:28-29 "For they *are* a Nation Void of Counsel, Nor is *there any* Understanding in them. Oh, that they were Wise, *that* they Understood this,

*That* they would consider Their Latter End! Psalm 33:10 **The Lord** brings the counsel of the nations to nothing; **He** makes the plans of the peoples of no effect. Psalm 96:4-5 For **the Lord** is great and greatly to be praised; **He is to be Feared Above All gods.** For all the gods of the peoples *are* idols, **But the Lord made the heavens. (Worship Creator, Thee Lord GOD).**

Isaiah 14:12 "How you are fallen from heaven, O Lucifer, son of the morning! How you are cut down to the ground, You who weakened the nations!" (Lucifer, Satan, the Devil, weakens nations that he counsels). Is he weakening Our Nation? Jeremiah 51:7 **Babylon was a golden cup in the Lord's hand...**
