A BRIDE PREPARED FOR HER GROOM

In an Age of the World, where there often seems to be a Stand-Off between the Sexes, where a woman and a man want to look their best, To each other, but not Really For Each Other. **JESUS Christ, the Heavenly Bridegroom**, is waiting on Both the preparation and willingness of His Earthly **BRIDE**. He has made the Ultimate Sacrifice for Her Cleansing, by the shedding His Very Life Blood. And He did not do all of this, so that we could simply Look Good To Each Other, while sitting in Church on Sunday morning,

dressed in our finest adornment.

Just Imagine with me, that you are the Very GOD of the Universe. You wanted a Large Family. You Created Adam and Eve, with the capacity for Family Relations. But the Father and Mother of the human race rebels against You, wanting more for themselves, than all that You had already Provided. How, now, could you retrieve your Human Family. Would You Send down a New Adam, and build a New Eve? A Second Adam, in the fallen blood line? That would only be another terrible loss.

No You would have to be guaranteed success, this time. You would **Send a Perfect Adam**. A GOD/Man who Came out of Your Own Deity. **He** would be The Last Adam, sent to 'A Perishing Race, to **Save** as many of them as would Believe in **Him**, and be Delivered from a Final Judgment. **He** would be 'The New Head' of a "Saved" Human Family.

Moreover as GOD, You wanted to do something Spectacular, over and above just a rescue.

You would Send the **SON** of Your Love for the Human Family as "**THE BRIDE-GROOM**" IN SEARCH OF HIS BRIDE! You, the Holy GOD, determined to Retrieve a unholy sinful race, would first have to clean up **A Bride** for Your **SON, The Bridegroom**. Sin would have to be removed from spoiling Her, from soiling Her Wedding Gown. Love would have to be Inspired in **Her heart, for Her Savior and Groom**.

BRIDE: Kallah= the Complete or Perfect one.

From the time of Isaiah the Prophet, GOD gave the concept of a Complete and Perfect Bride. First came the "Friend of the Groom" -John the Baptist, to negotiate on behalf of The Prospective Bridegroom and His FATHER for the Bride. **The Great 'Dowry' Price would be Paid, The Groom's Very 'Perfect Life Blood'**. Once the arrangement to Marry was

made, the **Bride** enters 'Her Betrothal', this is Her Destiny. She is **VEILED TO THE WHOLE WORLD**. That Veil only to be removed in the Presence of **Her Coming Groom**. Even Now **He** Prepares a House of Many Mansions for **His Spiritual Bride**. The Wedding Clothes are Prepared by the Bride. She uses the interest of the Dowry Paid to 'Beautify' herself. The Bride's father contributes a Wedding Gift to his

Daughter so that She can make the most of her time in Preparation. She would Present herself as Queen, Crowned and fully Jeweled. **The Wedding of The Lamb Slain, SON Of GOD**, will be the Most Spectacular Event in all of HIS-Story, both in Heaven and on Earth. **The King and Queen of a Saved human race**. They shall kneel together before GOD The Father.
